NTM 59/20 BRODICK FERRY TERMINAL DIVE INSPECTION OF OLD PIER

Categories : Notice to Mariners, Piers and harbours

Date : 9th October 2020

Latitude	**55º 34.636’ N WGS 84 Datum**
Longitude	**005º 8.320’ W WGS 84 Datum**

Mariners are advised that, weather permitting a dive inspection of the old pier at Brodick Ferry Terminal, Isle of Arran will be undertaken from 13 October 2020.

Works will be undertaken from a dive support vessel which will be berthed against the structure. An A-Flag will be displayed at times when divers are in the water and the Master of the vessel will maintain VHF communication with any nearby vessels on channel 16.

The project is scheduled to be completed within three days.

All vessels navigating in the vicinity of Brodick Ferry Terminal old pier during this time are requested to do so with caution, regulate their speed to minimise the effects of wash and stay well clear of the structure while divers are in the water.

Further details can be obtained by using the contact details below.
