Date : 10th October 2014

Flensburger Schiffbau-Gesellschaft MBH and Co KG shipyard (FSG) is currently the subject of an acquisition that is due to complete later this month, however the work on the MV LOCH SEAFORTH is nearing completion and is not expected to be impacted. A team from CMAL is in Germany overseeing the final elements of the build and are currently in discussions with FSG on the handover of the vessel. The date will be confirmed as soon as is available later this month.
