WGS 84 Datum **WGS 84 Datum**

Mariners are advised that weather permitting, on 11 January 2018, dive contractor Shearwater Marine Services Ltd will commence dive surveys at Oban No. 1 linkspan structure, Railway Pier, Oban Ferry Terminal.

Works will be undertaken from the shore and flag A 'Diving Operations' will be displayed at all times when divers are in the water. Communication will be maintained with CalMac Ferries Ltd and others as required via VHF radio throughout all survey works. Surveys will be completed between sailings of scheduled ferry services to avoid any disruption.

The work is expected to be completed within 5-days.

All vessels navigating in the vicinity of Oban Ferry Terminal are requested to do so with caution and regulate their speed to minimise the effects of wash accordingly during the period of the survey.
