Mariners are advised that weather permitting an inspection of the RoRo fixed ramp at Port Ellen Ferry Terminal, Islay will be undertaken on 1 February 2018.

CMAL's consulting engineer Mott MacDonald will be operating from the quayside and a small workboat and the inspection will be completed within one day.

The consultant's supervisor will liaise with the Harbour Manager to ensure there is no disruption to scheduled ferry services. VHF channels 12 and 16 will also be monitored.

All vessels navigating in the vicinity of Port Ellen Ferry Terminal on this date are advised to maintain a look-out for the workboat, proceed with caution and regulate their speed to minimise the effects of wash accordingly.
