

## **NTM 18/19 Wemyss Bay Ferry Terminal Fender Maintenance Works**

**Categories :** [Notice to Mariners](#)

**Date :** 4th February 2019

**Latitude** **55° 52.542?** North (WGS-84 datum)  
**Longitude** **004° 53.484?** West (WGS-84 datum)

Mariners are advised that work to undertake essential maintenance of the pier fenders at Wemyss Bay Ferry Terminal, Firth of Clyde will commence this afternoon.

Works will be undertaken from a small workboat and from the pier deck.

Prior to commencing the contractor's supervisor will liaise with the Harbour Manager and ferry Masters to ensure works will not impact on timetabled ferry services. Communications will be maintained using VHF radio channels 12 and 16.

During this time all vessels navigating in the vicinity of Wemyss Bay Ferry Terminal are requested to do so with caution, maintain a lookout for the workboat and regulate their speed to minimise the effects of wash.

Weather permitting, works will continue over the next five evenings, commencing after the end of timetabled ferry services and be completed before resumption of service the next morning.
