

NTM 37/17 Bathymetric Surveys Vessel berthing areas & approach channels Gallanach & Kerrera Slipways

Categories : [Notice to Mariners](#)

Date : 21st July 2017

Mariners are advised that on Monday 24 July 2017 chartered surveyors Aspect Land & Hydrographic Surveys will be undertaking high resolution bathymetric surveys of vessel berthing areas and approach channels at Gallanach & Kerrera Slipways. The work is expected to take place over 2-3 days.

Works will be undertaken from a survey vessel and will be piloted by a qualified survey coxswain and equipped with VHF radio, communication will be maintained with CalMac and others as required via VHF radio throughout all survey works. Surveys will be completed in between sailings of the scheduled ferry service to avoid any disruption.

All vessels navigating in the vicinity of Gallanach & Kerrera Slipways are requested to do so with caution and regulate their speed to minimise the effects of wash accordingly.

Further details can be obtained using the contact details below.
