

# NTM 49/18 Scalasaig Pier Isle of Colonsay Timber Beam Repairs

Categories : [Notice to Mariners](#)

Date : 1st May 2018

**Latitude** 56° 4.130? North (WGS-84 datum)  
**Longitude** 06° 11.039? West (WGS-84 datum)

Mariners are advised that contractors Alchemy Plant and Contracting will be installing a replacement timber beam to the linkspan berth at Scalasaig Pier, Colonsay Ferry Terminal, Isle of Colonsay.

Works are scheduled to commence on 02 May 2018 and be completed within two days. They will be undertaken during periods between ferry sailings to avoid disrupting the service. The works will be supported by the workboat boat Dorus Mhor which will maintain a radio watch on channel 16.

During this time all vessels navigating in the vicinity of Scalasaig Pier are requested to do so with caution, remain well clear of the work boat and regulate their speed to minimise the effects of wash accordingly.

Further details can be obtained using the contact details below
