**Longitude**                    **005° 9.224'** West (WGS-84 datum)

Mariners are advised that weather permitting, on 01 October 2018 Ordnance Survey Operations Group will be undertaking a survey of Colintraive Ferry Terminal and Rhubodach Ferry Slipway, Kyles of Bute.

The purpose of the works are to update mapping for both sites using unmanned aerial vehicle (UAV) imagery and will be undertaken from the shore at each location. Communication will be maintained with CalMac Ferries Ltd as required throughout the period of the works and surveys will be completed between sailings of scheduled ferry services to avoid any disruption.

The work is expected to be completed within one day.

All vessels navigating in the vicinity of the aforementioned locations are requested to do so with caution and be aware of UAV operations during the period of the survey.
