## **Collection of Harbour Dues - CMAL Locations Clyde & Hebrides Ferry Services (CHFS) Network**

Please note that as of 01 October 2017, customers will receive all communications in respect of collection of CMAL harbour dues or issue of composite passes directly from CalMac Ferries Ltd (Harbour Operations) who will appropriate the duties of collecting harbour dues on behalf of CMAL for all Company locations around the Clyde & Hebrides Ferry Services (CHFS) network. A list of these locations can be found at:

<http://www.cmassets.co.uk/harbours/locations/>

Payment for harbour dues can be made at the port by cash, card or for commercial users where relevant and subject to approval, an invoice request.

From 01 October all requests for annual/season passes should be directed to CalMac's Harbour Operations Department: [harbour.operations@calmac.co.uk](mailto:harbour.operations@calmac.co.uk) or by calling Tel # 01475 650277. A valid copy of liability insurance must be presented for each vessel in order for a pass to be issued.

The pass must be kept on the vessel and presented to CalMac Staff as and when requested. A reminder letter will be issued 1 month prior to the date of expiry of each pass and an invoice for renewal will be generated thereafter.

All terms and conditions of harbour use and harbour dues remain unchanged; these can be found on the CMAL website: <http://www.cmassets.co.uk/harbours/harbour-dues/>

The authority to charge "ship, passenger and goods dues" as considered "fit" remains vested in the Board of Caledonian Maritime Assets Limited (CMAL) by the Harbours Act 1964 section 26(2).

All charges for harbour dues continue to be reviewed and updated on an annual basis.
