

GOUROCK-DUNOON SURVEY: LAST CHANCE TO HAVE YOUR SAY

Categories : [Press](#)

Date : 21st April 2020

Ferry passengers who use Gourock to Dunoon services are being urged to complete an online survey before it closes for responses this weekend.

Caledonian Maritime Assets Limited (CMAL) commissioned the independent survey to inform the work of the Gourock Harbour Infrastructure & Vessels Project, which aims to deliver a modern, reliable and resilient lifeline passenger ferry service between Gourock and Dunoon.

All ferry users, no matter how often they use services and whether they travel with CalMac or Western Ferries, are encouraged to share their experiences to help inform future decision making for vessels and harbour infrastructure.

The survey is available online at <https://rb.gy/ak1zv9> . It will close online at midnight on Sunday 26 April 2020.

More than 400 people have completed the survey so far.
