

NTM 04/19 Tobermory Ferry Terminal Isle of Mull Berthing Restrictions

Categories : [Notice to Mariners](#)

Date : 7th January 2019

Latitude **56° 37.376?** North (WGS-84 datum)
Longitude **006° 3.824?** West (WGS-84 datum)

It has been reported to CMAL there are increasingly occasions when vessels berth at the Mishnish Pier, Tobermory Ferry Terminal, Isle of Mull, by rafting up on the outside of the ferry.

Due to the risk of contact damage between vessels and the possibility of exceeding the safe working capacities of the ferry or pier mooring equipment it is requested Mariners cease this activity with immediate effect.

Any vessels observed to continue this practice will be identified and further action may be taken.
