

NTM 05/19 Colintraive & Rhubodach Ferry Slipways Bathymetric Surveys

Categories : [Uncategorized @gd](#)

Date : 7th January 2019

Latitude 55° 55.383' North (WGS-84 datum)
Longitude 005° 9.211' West (WGS-84 datum)

Mariners are advised that contractors Aspect Land & Hydrographic Surveys Ltd will be conducting hydrographic surveys of the seaward areas off Colintraive Ferry Terminal pier and slipways, and the area off Rhubodach Ferry Slipway, Kyles of Bute.

Surveys are planned to be undertaken from a small workboat and weather permitting works are scheduled to be undertaken on 09 January 2019 and will be completed within one day.

The survey team supervisor will monitor VHF channels 12 and 16 and will liaise with the Colintraive Harbour Manager and Masters of the CalMac ferry to ensure there is no disruption to scheduled ferry services.

All vessels navigating in the vicinity of the Kyles of Bute during the period indicated above are advised to maintain a lookout for the survey vessel and proceed with caution, regulating your speed to minimise the effects of wash accordingly.
