

NTM 102/18 Armadale Ferry Terminal Isle Of Skye Linkspan Berth Fender Damage - Update

Categories : [Notice to Mariners](#)

Date : 15th November 2018

Latitude **57° 3.901?** North (WGS-84 datum)
Longitude **005° 53.646?** West (WGS-84 datum)

With reference to NTM 78/18, mariners are advised that contractor Alchemy Plant & Contracting Limited will be undertaking repairs to the damaged timber fender pile located on the linkspan berth, Armadale Ferry Terminal, Sleat, Isle of Skye.

Weather permitting works are scheduled to commence on 19 November 2018 and to be completed within 7 days.

Contractors will be operating from the pier structure and the workboat Dorus Mor. During the period of works the supervisor will liaise with the harbour manager and will monitor VHF channel 16 to avoid disruption to scheduled ferry services.

All vessels navigating in the vicinity of Armadale Ferry Terminal during this time are advised to proceed with caution and regulate their speed to minimise the effects of wash accordingly.

Further details can be obtained using the contact details below.
