Mariners are advised that on 24 January 2019, contractor GSS Marine Services will be completing fender snagging works on the linkspan outer lifting dolphin at Gourock Ferry Terminal, Firth of Clyde.

Works will be undertaken from a small workboat between the hours of 07:00 and 09:00.

Prior to commencing the supervisor will liaise with the Harbour Manager and ferry Masters to ensure works will not impact on scheduled ferry services. Communications will be maintained using VHF radio channels 12 and 16.

During this time all vessels navigating in the vicinity of Gourock Ferry Terminal are requested to do so with caution, maintain a lookout for the workboat and regulate their speed to minimise the effects of wash.
