Mariners are advised that weather permitting on 22 January 2018, contractor Gareloch Support Services Ltd will undertake fender repair snagging works at the linkspan outer lifting dolphin, Gourock Ferry Terminal, Firth of Clyde.

Works will be conducted from on board the workboat Mary M or a small tender from where communication will be maintained with the ferry Masters, Harbour Operations staff and others as required via VHF radio channels 12 and 16 for the duration of the works. All works will be undertaken between scheduled ferry services to avoid any disruption and is expected to be completed within 1-day.

All vessels navigating in the vicinity of Gourock Ferry Terminal on the above date are requested to do so with caution, maintain a lookout for the workboat and regulate their speed to minimise the effects of wash accordingly.
