

# NTM 14/20 COLONSAY FERRY TERMINAL FENDER INSPECTION DIVE SURVEY

Categories : [Notice to Mariners](#)

Date : 19th February 2020

**Latitude** 56° 4.139? North (WGS-84 datum)  
**Longitude** 006° 10.986? West (WGS-84 datum)

Mariners are advised that weather permitting a dive survey will be undertaken on or around 20 February 2020 to inspect the fender piles at Colonsay Ferry Terminal, Scalasaig, Isle of Colonsay Oban Ferry Terminal. The work is expected to be completed within one day.

Works will be undertaken from a work boat and an A Flag will be displayed at all times when divers are in the water. The dive supervisor will maintain VHF communication with any other vessels within the vicinity as required throughout the dive period.

All vessels navigating in the vicinity of Colonsay Ferry Terminal during this period are requested to do so with caution, maintain a lookout for the work boat and regulate their speed to minimise the effects of wash accordingly during the period of the survey.

Further details can be obtained by using the contact details below.
