Mariners are advised that contractors MacScott Bond Ltd will be undertaking operating system upgrades on the RoRo linkspan at Kennacraig Ferry Terminal, West Loch Tarbert, Argyll.

Weather permitting the works will commence on Monday 19 February 2018 and be completed within 7 days.

In liaison with the CFL Harbour Manager and Port Manager, the contractor's supervisor will ensure works are programmed to minimise any impact on the scheduled ferry service however, there will be periods when the linkspan is inoperable.
