

NTM 28/16 Dive Inspection of Wemyss Bay Ferry Terminal Pier

Categories : [Notice to Mariners](#)

Date : 2nd March 2016

Mariners are advised that on Thursday 3rd March 2016, weather permitting dive contractors Shearwater Marine Services Ltd will commence a dive project at the berthing area on the south side and on the pier head of Wemyss Bay Ferry Terminal as part of the on-going reconstruction works.

The dive team will be operating from the pier deck with a safety boat in attendance.

At all times dive operation working areas will be appropriately marked using Flag A 'Diving Operations'.

All vessels navigating in the vicinity of Wemyss Bay Ferry Terminal are advised to exercise vigilance and pass at minimum safe manoeuvring speed and sufficient distance from the dive site to reduce the risk of damage or injury being caused by the passing vessel's wash or displacement.

Vessels are also reminded that access for berthing at Wemyss Bay Ferry Terminal remains closed to all non-works related vessels.

Further details can be obtained using the contact details below.
