

NTM 32/16 Port Ellen Harbour Hydrographic Survey

Categories : [Uncategorized @gd](#)

Date : 5th April 2016

Mariners are advised that weather permitting contractors Aspect Land & Hydrographic Surveys Ltd will be undertaking a hydrographic survey of the CMAL harbour area at Port Ellen, Isle of Islay.

The survey is planned to be undertaken from a small workboat and weather permitting works are scheduled to commence today and last for four days.

The survey team supervisor will monitor VHF Channel 16 and will liaise with the port manager and Masters of the CalMac ferries to ensure there is no disruption to scheduled ferry services.

All vessels navigating in the vicinity of Port Ellen harbour on the days indicated are advised to do so with caution and regulate their speed to minimise the effects of wash accordingly.

Further information can be obtained using the contact details below.
