

NTM 48-20 ARMADALE FERRY TERMINAL PIER DIVE SURVEY

Categories : [Notice to Mariners](#)

Date : 24th August 2020

Latitude **57° 3.905?** North (WGS-84 datum)
Longitude **005° 47.932?** West (WGS-84 datum)

Mariners are advised that, weather permitting a dive survey of Armadale Ferry Terminal Pier, Isle of Skye will commence on 25 August 2020.

Works to inspect the ferry berthing area will be conducted from the linkspan and pier structure and flag A 'Diving Operations' will be displayed at all times when divers are in the water. While the A Flag is displayed the pier will be closed to berthing by all vessels and the dive supervisor will maintain communication as required via VHF radio throughout the dive project.

Work is expected to be completed within 3-days and will not impact on scheduled ferry services.

All vessels navigating in the vicinity of Armadale Ferry Terminal during this time are requested to do so with caution, maintain a lookout for the dive team and regulate their speed to minimise the effects of wash accordingly during the period of the survey

Further details can be obtained using the contact details below.
