

NTM 54/18 Wemyss Bay Ferry Terminal Firth of Clyde Pier Pile Support Works

Categories : [Uncategorized @gd](#)

Date : 16th May 2018

Latitude 55° 52.555? North (WGS-84 datum)
Longitude 04° 53.497? West (WGS-84 datum)

Mariners are advised that construction of concrete jackets around the pier supporting piles have commenced at Wemyss Bay Ferry Terminal, Firth of Clyde.

Contractor TMS Ltd will be operating from the pier approach and shore line beneath the pier and at times a small workboat will be in attendance. Works are scheduled to be completed by 18 June 2018.

The contractor's supervisor will liaise with the Harbour Manager and ferry Masters to ensure there is no disruption to scheduled ferry services. VHF channels 12 and 16 will also be monitored.

All vessels navigating in the vicinity of Wemyss Bay Ferry Terminal during the period of works are advised to maintain a look-out for the workboat, proceed with caution and regulate their speed to minimise the effects of wash accordingly.
