

# NTM 54/20 BULLHOLE FERRY BERTHING STRUCTURE SOUND OF IONA

Categories : [Notice to Mariners](#)

Date : 21st September 2020

<b>Location description</b>	<b>Bullhole ferry berthing structure, Sound of Iona</b>
<b>Latitude</b>	56° 20.334'North (WGS-84 datum)
<b>Longitude</b>	006° 21.937? West (WGS-84 datum)

Mariners are advised a dive inspection of the ferry berthing structure at Bullhole, Sound of Iona will be undertaken on 23 September 2020.

Works will be undertaken from the dive support vessel MV Gallia which will be berthed against the structure. An A-Flag will be displayed at times when divers are in the water and the Master of the vessel will maintain VHF communication with any nearby vessels on channel 16.

The project should be completed within one day.

All vessels navigating in the vicinity of Bullhole during this time are requested to do so with caution, regulate their speed to minimise the effects of wash and stay well clear of the structure while divers are in the water.
