

NTM 58/19 TARBERT (HARRIS) FERRY TERMINAL DIVE PROJECT

Categories : [Uncategorized @gd](#)

Date : 1st November 2019

Latitude **57° 53.818?** North (WGS-84 datum)
Longitude **006° 47.947?** West (WGS-84 datum)

Mariners are advised that on or about 04 November 2019, Lochs Diving Services will commence a dive project at Tarbert Ferry Terminal, East Loch Tarbert, Isle of Harris.

The dive works will be in the vicinity of the linkspan, front and rear of the terminal pier and will be undertaken as required from both structures. The programme of work is estimated to last for approximately 3-days and will not impact on scheduled ferry services.

While divers are in the water an A-flag will be displayed and the Dive Supervisor will monitor VHF channel 16.

All vessels navigating in the vicinity of Tarbert Ferry Terminal during this time are requested to exercise extra vigilance and pass at minimum safe manoeuvring speed and sufficient distance from the ferry terminal so as to minimise the effects of wash.

Further details can be obtained using the contact details below.
