Mariners are advised that contractor Lochs Diving Services will be undertaking a dive inspection of the main berth at Tarbert Ferry Terminal Pier, Isle of Harris on 20 July 2018.

Works will commence in the morning and be undertaken from the pier from where flag A 'Diving Operations' will be displayed at all times when divers are in the water. When dive operations are ongoing the dive supervisor will monitor communications on VHF channels 12 and 16 and a safety boat will be in attendance.

The pier and linkspan will be closed to berthing by all vessels during this time however, the dive project is programmed to be completed and pier reopened prior to arrival of the scheduled ferry at 15:50hrs.

All vessels navigating in the vicinity of Tarbert Ferry Terminal are requested to do so with caution and regulate their speed to minimise the effects of wash accordingly during the period of the survey and to maintain a lookout for the safety boat.
