Mariners are advised that weather permitting pier escape ladder installation works will be taking place at Tiree Ferry Terminal Pier, Gott Bay, Isle of Tiree.

Contractor GSS (Plant) Ltd are scheduled to be on site 03 – 08 December 2017 and will operating from a workboat and the pier deck.

The contractor's supervisor will liaise with the Port Manager and Masters of the Caledonian MacBrayne ferry to ensure there is no disruption to scheduled ferry services. VHF channel 16 will be monitored.

All vessels navigating in the vicinity of the ferry terminal pier on the scheduled dates are requested to maintain a look-out for the workboat, proceed with caution and regulate their speed to minimise the effects of wash accordingly.

Further details can be obtained using the contact details below.
