

NTM 61/16 Wemyss Bay Ferry Terminal Fender Repair Works

Categories : [Uncategorized @gd](#)

Date : 2nd September 2016

Mariners are advised of marine activities in relation to fender repairs taking place at Wemyss Bay Ferry Terminal. The works will commence on Tuesday 6th September through to 9th September. Divers from Shearwater Marine services Ltd will be based from dive boat "Hound Voyager." There will be no disruption to scheduled ferry services as works will commence after the last ferry service and depart pre first ferry arrival.

Onsite communications will be managed via VHF Channel 16.

All vessels navigating in the vicinity of Wemyss Bay Ferry Terminal are requested to maintain a look-out for the vessel, proceed with caution and regulate their speed to minimise the effects of wash accordingly.

Further details can be obtained using the contact details below.
