

NTM 63/19 KENNACRAIG FERRY TERMINAL FENDER REPAIR WORKS

Categories : [Notice to Mariners](#)

Date : 18th November 2019

Latitude 55° 48.399? North (WGS-84 datum)
Longitude 005° 29.097? West (WGS-84 datum)

Mariners are advised that weather permitting on or around 19 November work will commence to undertake essential maintenance of the pier fenders at Kennacraig Ferry Terminal, West Loch Tarbert, Argyll.

Works will be undertaken by contactor Alchemy Plant & Contracting Ltd from a small workboat and last around 4 days.

Prior to commencing the contractor's supervisor will liaise with the Harbour Manager and ferry Masters to ensure works will not impact on timetabled ferry services. Communications will be maintained using VHF channel 16.

During this time all vessels navigating in the vicinity of Kennacraig Ferry Terminal are requested to do so with caution, maintain a lookout for the workboat and regulate their speed to minimise the effects of wash.

Further details can be obtained using the contact details below:
