

# NTM 63/20 GOUROCK FERRY TERMINAL LINKSPAN REPLACEMENT WORKS - UPDATE

Categories : [Notice to Mariners](#), [Piers and harbours](#)

Date : 30th October 2020

**Latitude**                    **55° 57.619?** North (WGS-84 datum)  
**Longitude**                 **004° 48.857?** West (WGS-84 datum)

With reference to NTM 60/20, mariners are advised that the programmed lift of the linkspan at Gourock Ferry Terminal by crane vessel Lara 1 has been delayed.

The lifting operation is now scheduled, weather permitting, to take place during daylight hours on or about 31 October 2020.

All vessels not involved in the lifting operation are requested to proceed at minimum safe speed and keep a safe distance of not less than 100m from Lara 1 at all times while the lifting operation is ongoing.

The Master of the vessel and any assisting workboat will maintain radio communications using VHF radio channels 12 and 16

Further details can be obtained by using the contact details below.
