

NTM 71/16 Pier Escape Ladder Installations – Coll Ferry Terminal

Categories : [Uncategorized @gd](#)

Date : 31st October 2016

Mariners are advised of pier escape ladder installation works taking place at Coll Ferry Terminal, Loch Arinagour, Isle of Coll.

Weather permitting works will commence on 01 November 2016 and continue in various stages over approximately a 3-week period. Contractor GSS (Plant) Ltd will be on site operating from a workboat and the pier deck.

The contractor's supervisor will liaise with the Port Manager and Masters of the Caledonian MacBrayne ferry to ensure there is no disruption to scheduled ferry services. VHF channel 16 will be monitored.

All vessels navigating in the vicinity of Coll Ferry Terminal are requested to maintain a look-out for the workboat, proceed with caution and regulate their speed to minimise the effects of wash accordingly.

Further details can be obtained using the contact details below.
