

NTM 72/16 Kennacraig Ferry Terminal Hydrographic Survey

Categories : [Uncategorized @gd](#)

Date : 4th November 2016

Mariners are advised that contractors Aspect Land & Hydrographic Surveys Ltd will be conducting a hydrographic survey of the CMAL harbour area at Kennacraig Ferry Terminal, West Loch Tarbert.

The survey is planned to be undertaken from a small workboat. Weather permitting works are scheduled to commence on Tuesday 08 November and are expected to be ongoing for approximately two days.

The survey team supervisor will monitor VHF Channel 16 and will liaise with the port manager and Masters of the CalMac ferries to ensure there is no disruption to scheduled ferry services.

All vessels navigating in the vicinity of Kennacraig Ferry Terminal during this time are advised to do so with caution and regulate their speed to minimise the effects of wash accordingly.

Further details can be obtained using the contact details below.
