

NTM 74/16 Pier Escape Ladder Installations – Tiree Ferry Terminal

Categories : [Uncategorized @gd](#)

Date : 14th November 2016

Mariners are advised of pier escape ladder installation works taking place at Tiree Ferry Terminal, Gott Bay, Isle of Tiree.

Weather permitting works will commence today and are scheduled to be completed within one week. Contractor GSS (Plant) Ltd will be on site operating from the workboat 'Morag M' and the pier deck.

The contractor's supervisor will liaise with the Port Manager and Master of the Caledonian MacBrayne ferry to ensure there is no disruption to scheduled ferry services. VHF channel 16 will be monitored.

All vessels navigating in the vicinity of Tiree Ferry Terminal are requested to maintain a look-out for the workboat, proceed with caution and regulate their speed to minimise the effects of wash accordingly.

Further details can be obtained using the contact details below.
